

GINKGO PLANNING & DESIGN INC

Pericles J. Georgopoulos

In over 18 years of professional experience, Mr. Georgopoulos has had the opportunity to work on a wide variety of projects throughout the Chicagoland area, and to be a member of the architectural, civil engineering and planning teams in various firms. In recent years, he has served primarily as the Senior Planner and Project Manager for significantly large and complex projects, such as Transit Oriented Developments, Industrial Facilities, Business Parks, Town Centers and Lifestyle Centers.
